CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

Anthea - Greek for Flower - is a collection of 12 cross stitch floral designs, one for each month of the year.

The January flower is the Snowdrop.

Each monthly flower can be stitched:

- either with the name of each month**
- or customized with the name of a person, or words of your choice (see example: With Love)**

An alphabet (caps and lower case) as well as a blank chart for positioning letters are provided with the chart

These designs make great Greeting cards and Birthday cards that follow the seasons. if you feel up to it, you can also challenge yourself to stitch all the months of the year, creating a perpetual calendar where you rotate the design each month.

The snowdrop motif is first cross stitched in full stitches, then extra detail is added with backstitch outlines of flowers, stems and leaves. Finally come extra embellishments using mother of pearl seed beads and sequins, as well as an ornate frame, worked using several specialty stitches including rice stitch and fan eyelets in the corners.

Threads include solid color DMC floss, DMC variation used for letters, as well as silver metallic thread.

A tutorial is included with the chart for all specialty stitches.
