Is it really black or not quite?

Long considered the search for the holy grail, especially in 17th century Holland, the black tulip continues to inspire. Here's Faby Reilly's splendid rendering of the precious flower in needlework.

This pattern combining cross stitch, beads and sequins is a work of particular elegance and sophistication. When finished, you will have achieved a magnificent piece.

The chart includes a tutorial for working the eyelets and sequins, as well as step by step mounting instructions for the biscornu (with photos)
