Brollies & Wellies - Masterclass: Spiderweb stitch

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

After the rain sun will shine...

Designer Faby Reilly treats us with a small but exquisitely detailed scene featuring a green frog with bright eyes, sheltering under a multicolored umbrella. Just beside, someone has left a pink umbrella and a pair of boots: it looks like the downpour is almost over!

This cross stitch design is part of Faby Reilly's "advanced" series. They are designed for experienced cross stitchers looking to discover new stitches or more advanced techniques. This chart focuses on the Spiderweb stitch, used for the roses.

Other specialty stitches include some split stitches (1/4 and 3/4 cross stitch) used for the eye of the frog and seed beads worked over a cross stitch.

A tutorial is included with the chart with detailed instructions and photos for all specialty stitches.
