Fancy cross stitching your very own iphone case!

Blank iPhone covers to cross stitch are now easy to find so you can bring these beautiful butterflies to life.

The chart comes in **two different colorways**, just perfect for your phone:

one for a black or dark background, one for a white or light background.

The chart is designed for a cover with 24 x 54 holes. If your cover is any larger, simply add a little space between the motifs so they spread out on the phone cover.
