Navy & Mint Frames (set of 4 designs)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

Change your home deco holiday colors with these series of cute cross stitch projects that come in predominantly navy blue and mint green, worked on white linen.

A common thread, a navy and white polka dot motif, appears in each cross stitch pattern. Motifs include a polar bear, a Christmas tree, an owl all wrapped up in wooly scarf and hat, and a Christmas stocking filled with gifts. A [matching set](#) (sold separately) features two more patterns with a Christmas wreath and a snowman with matching hat and scarf.

You can display each stitched piece either in an individual frame side by side or in a diptych, for a coordinated decorative effect

The chart is dominantly cross stitch with backstitch and French knot details. There is a rice stitch motif used for the edges of the frames. Iridescent white and silver metallic threads, as well as translucent seed beads enrich the embroidery and add contrast against the white background

Each finished piece (each design) measures 3 x 3 inch (8 x 8 cm). It can be mounted in a small 4 x 4 inch frame (10 x 10 cm). The chart includes a helpful tutorial on how to correctly mount the embroidery into a frame.
