Navy Mint Mini Frames (set of 2 designs)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

Change your home deco holiday colors with these two cute cross stitch projects that come in predominantly navy blue and mint green, worked on white linen.

The cross stitch pattern features a Christmas wreath with navy white polka dot ribbon and a snowman with matching hat and scarf. A [matching set](#) (sold separately) has four more patterns with the navy and white polka dot motif: a polar bear, a Christmas tree, an owl and a Christmas stocking filled with gifts.

You can display each stitched piece either in an individual frame side by side or in a diptych, for a coordinated decorative effect

The chart is dominantly cross stitch with backstitch and French knot details. There is a rice stitch motif used for the edges of the frames. Iridescent white and silver metallic threads, as well as translucent seed beads enrich the embroidery and add contrast against the white background

Each finished piece (each design) measures 3 x 3 inch (8 x 8 cm). It can be mounted in a small 4 x 4 inch frame (10 x 10 cm). The chart includes a helpful tutorial on how to correctly mount the embroidery into a frame.
