**Peacock Biscornu**

**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs**

Exquisitely refined, this pin-cushion comes in the shape of a biscornu and is part of a set of 3 needlework accessories designed by **Faby Reilly** featuring stunning peacocks and feathers.

The biscornu comes with two different charts, as it is stitched on each side. It is designed so that the head of the peacock appears on the side, alternating with the feathers.

Threads are all DMC embroidery floss and vividly come to life on the light blue background. The design is further embellished with dark iridescent seed beads and sequins.

A tutorial is included with the chart for all specialty stitches as well as for mounting the biscornu.
