Poppy Glasses case

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

A pretty glasses case adorned with Faby Reilly's exquisite poppies. The case is stitched on both sides as well as the flap. A detailed glasses case tutorial for lining and finishing is included with the chart.

Stitching involves cross stitch and backstitch, as well as some ornamental specialty stitches, all of which are also detailed in a specific tutorial with pictures. A couple of seed beads add a dimensional effect to the heart of the poppies.

This Poppy Glasses case will make a great gift.

Creative Poppy suggestion: Originally stitched on white, for maximum contrast, the piece will also look great on natural raw linen.
