How about new holiday colors for a change? These Christmas cross stitch motifs come in a very unique and bold mix of colors of green and purple with gold highlights.

We love the retro look of the baubles, and their intricate ornamentation. The volumes and roundness are perfectly rendered in cross stitch, you could almost grab them and hang them on your tree.

If you're not familiar with framing a cross stitch piece, you will find Faby Reilly's frame tutorial very handy and full of useful tips. It's included with the chart.

Alternatively, the square motifs, which measure just over 3 inch (8 cm) on 14ct, will be perfect for stitching greeting cards.
