Description:

Ring a Ring o'Foxes Biscornu

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

Four foxes running around in the pretty autumn foliage, with nature's fall colors at their best.

You'll enjoy stitching using those gorgeous warm-color threads and working all the pretty details of leaves and berries. The pattern is made of two squares, with a different pattern on each side so that they complement each other as they appear on the sides when the biscornu is mounted.

Learn as you go: The needlework design includes Colonial knots. Colonial knots are a variation on French knots, which you might find easier to work than their cousin. A tutorial is included for both options, each fully illustrated with photos.

A very detailed Biscornu tutorial is also included with the chart with step-by-step biscornu assembly instructions.
