Violet Scissor Case and Fob

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

Here's a delightful Scissor Case and scissor Fob, by Faby Reilly Designs, featuring a delicate violet motif with a golden ribbon that wraps around the back and the flap of the case.

The cross stitch chart comes with an extensive scissor case tutorial that will take you step by step from lining the case to the last finishing touches.

The stitching involves some French knots, metallic thread highlights as well as some golden seed beads nesting in the hearts of the violets.

The scissor case is the companion to the Violet needlebook sold separately. You can also stitch the matching Violet biscornu that can be used as a pin cushion. This is a beautiful motif for a set of needlework accessories and will make a great gift if you don't want to keep it for yourself.

The fabric calculator data (see below) corresponds to the case only (excluding the fob).
