Woodland Hedgehog - Masterclass: colonial knot

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Faby Reilly Designs

A shy little hedgehog appears from behind a log, pointy nose, shiny eyes, and white prickly spikes looking a bit uncombed, as if the animal had just woken up from deep slumber.

Beautiful autumn leaves surround the design like a frame.

Faby Reilly displays her talent and cross stitch expertise fitting a huge amount of detail in yet a tiny piece.

The chart comes in two user-friendly steps, first cross stitch only, then all added detail worked in backstitch and French knots.

A tutorial is included with the chart comparing French knots and colonial stitches, as well as a step by step guide for framing your piece.
