## Frosty biscornu

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

An incredibly decorative biscornu ornament drawing its inspiration from the cristal-like motifs formed by frost. The stitching starts with a layer of cross stitch, further embellished by intricate backstitch lines in blue and gold. The front of the biscornu is richly decorated while the back motif is lighter. The chart comes with step-by-step instructions and pictures for making a biscornu. There are many fun shapes to stitch in the [frosty series](#) that are sure to give a festive air to your home.
