Lavender sachet (2 bags)

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

Here are two more shapes that you can stitch and stuff with dried lavender harvested from your garden.

The larger bag has a small opening at the top and is designed to be tied with a ribbon (you can refill it too!). Make sure you get a perfect finish by following Faby Reilly's detailed step by step tutorial (comes free with your pattern).

The smaller bag is finished like a small cushion and is perfect to hang anywhere you like. Both bags have a different pattern for each side.

Part of the lavender bouquet collection that includes many items that are ideal to make little gifts.
