## **"Love" Wedding ring biscornu**

COUNTED CROSS STITCH CHART BY FABY REILLY DESIGNS

This plump little cushion is ideal for presenting the rings for a wedding ceremony. With the words "Love" cross stitched in the background and more ribbons and hearts wrapped all around, it is both romantic and elegant.

Faby Reilly loves to combine cross stitching and embroidery in two layers. First comes the cross-stitched background, using soft multicolors colors (DMC variations range). Then come some pretty embellishments using backstitch, lazy daisy stitches and a few of the designer's other favorite stitches (all explained with step by step instructions and photos). Add a few seedbeads and finish up into a refined little cushion with remarkable three-dimensional effects.

There is a matching Bridesmaid pouch as well as a lovely humbug ornament and bookmark, all with coordinated design, so in fact you could be making a whole series with this pretty Love pattern.
