CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY The Frosted Pumpkin Stitchery

Here's Sugar is Sweet, **The Frosted Pumpkin Stitchery's** mouth-watering cross stitch design featuring extra yummy cakes, puffy pastry, stylish macarons, runny ice-creams, beautifully wrapped sweets and any other delicious dessert you can think of.

You won't gain any calories as you stitch the whipped cream, dripping chocolate and raspberry coulis but for sure you'll enjoy it. The pattern is an easy stitch, with cross stitch only, and well defined color zones. It would be perfect for a beginner - or even for an expert looking for a quick to stitch and enjoyable project in between larger ones.

The chart includes:

- the original ABC design
- an extra chart with a blank space in the center of the design where you can fit your own text and customize your work.

This pattern would look very good in any kitchen, even maybe in an office.

There are plenty of ways of personalizing the text with fun phrases about chocolate, sweets and desserts.

Do send us photos of any customized piece!
