CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **The Frosted Pumpkin Stitchery**

Here's Tea time, The **Frosted Pumpkin Stitchery's** elegant cross stitch design featuring a tea cup framed, napkin-style, with miniature teapot, teacups, cakes and macarons. The cup design and text have a little of an art deco feel, though the colors and surrounding motifs are contemporary, so it's an interesting mix of styles.

Forget about daily stress, take a break and settle down for some quiet and relaxing stitching. This piece is quite straight forward to cross stitch, each tiny element at a time, so it would be adapted even for a beginner.

We suggest leaving enough extra fabric around the stitched area for the design to stand out. You can frame your piece or alternatively, you could turn it into individual napkins, a lining for a tray or even decorate a tea cosy.
