CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY GALLIANA

An awesome Christmas Sampler part of Galliana's fun collection of customizable cross stitch charts designed to be stitched in any color combination you fancy.

The stitched sampler pictured here was worked in a single color of DMC 115 variegated floss on a light natural background fabric. The stitcher picked this DMC variegated floss, because it changes color from medium red to dark very progressively. Check out our Guide to Colors (see below) for more tips on stitching with variegated threads.

As for all Galliana designs, **this chart is monochrome** and can be stitched using any count of fabric & floss of your choice. It's up to you how the stitched piece will turn out as you can truly personalise the design either stitching it all in one colour, maybe use two contrasting colours, variegated flosses or even a whole range of different colours..

A **Guide to Colors** is included with the chart with suggestions of different ways to apply colors to designs.

If stitching with one colour on 28 count over 2 using 2 strands, you will require approx 14 skeins of 8metre DMC or equivalent and the design area will be approx 16.5" x 21".
