The Christmas Window

PATTERN READY TO DOWNLOAD, DESIGNED BY **GALLIANA**

A Christmas Sampler part of **Galliana's** fun collection of customizable cross stitch charts designed to be stitched in any color combination you fancy.

The sampler includes a variety of lovely motifs such as Rudolph and his helper with shooting stars above them in the night sky, a church on a cold and snowy day, Mr Gingerbread Man, mistletoe, snowflakes, Christmas ribbons, Christmas trees, candles and angels playing celestial music.

As for all Galliana designs, this chart is monochrome and can be stitched using any count of fabric & floss of your choice. It's up to you how the stitched piece will turn out as you can truly personalise the design either stitching it all in one colour, maybe use two contrasting colours, variegated flosses or even a whole range of different colours.

A **Guide to Colors** is included with the chart with suggestions of different ways to apply colors to designs.

If stitching with one colour on 28 count over 2 using 2 strands, you will require approx 6 skeins of 11 metre DMC or equivalent and the design area will be approx 14" x 16.5"
