CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY GALLIANA

A rare cross stitch pattern that pays tribute to the pleasures of playing golf, and not only on the green! This is a perfect gift for anyone who loves the game. Substitute the champion's initials on the board inside the Clubhouse.

The sampler is part of Galliana's fun collection of customizable cross stitch charts designed to be stitched in any color combination you fancy. Indeed with all Galliana designs, this chart is monochrome and can be stitched using any count of fabric & floss of your choice. It's up to you how the stitched piece will turn out as you can truly personalise the design either stitching it all in one colour, maybe use two contrasting colours, variegated flosses or even a whole range of different colours.

A **Guide to Colors** is included with the chart with suggestions of different ways to apply colors to designs.

If stitching with one colour on 28 count over 2 using 2 strands, you will require approx 11 skeins of 8metre

DMC or equivalent and the design area will be approx 14.25" x 18.5".
