CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY GALLIANA

A heart Sampler part of Galliana's fun collection of customizable cross stitch charts designed to be stitched in any color combination you fancy. Why not stitch it in DMC's red variegated floss (115) like [this other stitched model](#)?

As for all Galliana designs, this chart is monochrome and can be stitched using any count of fabric & floss of your choice. It's up to you how the stitched piece will turn out as you can truly personalise the design either stitching it all in one colour, maybe use two contrasting colours, variegated flosses or even a whole range of different colours.

It is amazing how the same design can change depending on your choice of colors. We have just added to more pictures of a stitched model, worked on Zweigart 32ct Ash Rose over 2 using DMC's 24, 3687 and 3688. See how the pretty the lace like motifs appear when stitched in the lighter floss color, giving prominence to the hearts stitched in the darker shades.

A **Guide to Colors** is included with the chart with suggestions of different ways to apply colors to designs.

If stitching with one colour on 28 count over 2 using 2 strands, you will require approx 4 skeins of 8 metre DMC or equivalent and the design area will be approx 8.5" x 8.5".
