CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY GALLIANA

A Scottish wildlife sampler featuring a stag, thistle and Scottish flag, and part of Galliana's fun collection of customizable cross stitch charts designed to be stitched in any color combination you fancy.

The model pictured was stitched using The Gentle Arts Sampler Threads, with slight color variations within the floss, providing nuance and a natural feel. All animals including squirrel and bird were stitched in a darker color giving them prominence.

Indeed, as with all Galliana designs, this chart is monochrome and can be stitched using any count of fabric & floss of your choice. It's up to you how the stitched piece will turn out as you can truly personalise the design either stitching it all in one colour, maybe use two contrasting colours, variegated flosses or even a whole range of different colours.

A **Guide to Colors** is included with the chart with suggestions of different ways to apply colors to designs.

If stitching with one colour on 28 count over 2 using 2 strands, you will require approx 3 skeins of 8metre

DMC or equivalent and the design area will be approx 11.5" x 8.75".
