CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

A fun and colorful gallery of animal portraits of animals in cross stitch. Each piece is stitched on colored linen fabric (28ct linen/Permin: undyed/Riviera coral/Silver blue), which gives a cheerful and joyful tone to the set.

The cross stitch chart includes: a black cat, a woodpecker, an owl, a red panda, a crocodile, a white cat.

The six portraits are presented in a circle, in an off-centered way, as if they were looking through a porthole.

They are mounted as coaster, about 8cm / 3.5 inch in diameter, and decorated with a rick-rack border of contrasting color.

Alternatively, you can also use these portraits to personalize many objects, especially for children. For example: a wall organiser with pockets, bath towels, bags for shoes and school stuff, a pyjama case, anything you can think of!
