Baby Sampler

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

The Baby Sampler, a cross stitch design by Gera! by Kyoko Maruoka is full of cheerful colors and motifs.

It features a pram, a baby crib, a bath-tub, toys and plenty more fun motifs to cross stitch. An alphabet is included so you can personalize the sampler with the baby's name and date of birth.

You can match the sampler and turn it into a set with more personalized baby items, especially Ready-to-stitch items that have a special area for cross stitch. Think bibs, baby booties, pyjama cases and many more baby items for the nursery.

Once you're done with your stitching, save the chart for later. It will be handy when another baby comes along and you want to stitch a little something as a gift.
