15 Dog Breeds - series 2

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Such a cute collection of small puppies to cross stitch!

There is a French Bulldog, Terrier, Chihuahua, Toy Poodle, Chin, Doberman, Golden Retriever, Afghan Hound, Border Collie, Cavalier, and even a little Japanese Akita. Can you recognize them?

This is the second series of 15 Dog Breads. Check out the first chart (see below) and combine your favorite.

Stitched as a group, the overall effect is superb, with the 15 small dogs looking in the same direction, all with their red collar.

Each small dog of the chart measures only a dozen cross stitches high and about 20 long. You can combine them in rows as you please and adapt them for all kinds of small projects: pencil cases, notebook or book covers, glasses cases, key holders, anything you can think of.

The piece was stitched on a turquoise blue background fabric, Permin linen (Riviera aqua), but will look great on raw linen or any bright color of you choice.

Fun, quick and easy to cross stitch. Ideal for beginner or to teach a child.
