Dear Chef

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

It's busy in the kitchen, the chef is everywhere: chasing after a chicken, tasting the soup, cooking an omelette and mixing dough for the cakes. The pressure cooker is all steamed up on the fire. A platefull of skewers is ready to serve, together with the soup on a pretty checkered tablecloth.

Look closely at all the delightful food: the large lobster, hams and sausages hanging from the ceiling, a young fowl, a freshly fished sole, and all the vegetables straight from the market: peas, peppers, mushrooms, turnips, carrots, leeks, broccoli and lemons.

A colorful cross stitched composition, full of freshness and cheerfulness, and loads of yummy food. Ideal for decorating a kitchen.

The pattern can be embroidered as a whole. Alternatively, as it's made of many mini motifs, you can combine elements and patterns to cross stitch and personalize kitchen accessories: aprons, pot holders, tea towels, fridge magnets (stitch those on plastic canvas) ... and don't forget to make a matching bib if there's a baby in the family!
