Little Klara

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Isn't this little girl cute with her checkered red and white skirt and a bow in her hair?

Japanese designer Kyoko Maruoka (GERA!) excels at designing very simple, yet hugely entertaining little stories, such as Clara's busy day:

- Ring, ring (let me go past on my tricycle)
- No idea (a blank page and no inspiration, teddy quietly sitting next to her can't help either)
- Let it rain (I've got hold of my umbrella and my rubber boots)
- Upside down (watch me swing in the park)
- All mine (don't you dare take any of my balloons)
- So good (to be soaking in the bath tub)
- My dear teddy bear (what would I do without you)
- Great! (I'm a real artist, aren't I?)
- ZZZ (Hush... she's fallen asleep, hugging her teddy)

This is an easy piece to stitch. It's very decorative and will look great in a child's bedroom, either framed or on a cushion cover. You can also make a bag to hold the child's pyjama's or kindergarden gear.

There is a matching design with a little boy, [Little Peter](#) (sold separately). See below.
