Little Klara

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Isn't this little girl cute with her checkered red and white skirt and a bow in her hair?

Japanese designer **Kyoko Maruoka (GERA!)** excels at designing very simple, yet hugely entertaining little stories, such as Clara's busy day:

- **Ring, ring** (let me go past on my tricycle)

- **No idea** (a blank page and no inspiration, teddy quietly sitting next to her can't help either)
- **Let it rain** (I've got hold of my umbrella and my rubber boots)
- **Upside down** (watch me swing in the park)
- **All mine** (don't you dare take any of my balloons)
- **So good** (to be soaking in the bath tub)
- **My dear teddy bear** (what would I do without you)
- **Great!** (I'm a real artist, aren't I?)
- **ZZZ** (Hush... she's fallen asleep, hugging her teddy)

This is an easy piece to stitch. It's very decorative and will look great in a child's bedroom, either framed or on a cushion cover. You can also make a bag to hold the child's pyjama's or kindergarden gear.

There is a matching design with a little boy, [Little Peter](#) (sold separately). See below.
