Description:

Round tin cans I - Birds & Flowers, Squirrels & Flowers

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Birds are singing, a little squirrel leaps among the flowers. These 2 small cross stitch patterns, are designed in Kyoko Maruoka ever cheerful and colorful style. The designs are symmetrical and fit into a circle. This pair of patterns is the first in a series of 3 designs for Round tin cans.

The cross stitch piece measures approximately 3 1/3" (8.5 cm) when worked on 16ct Aida fabric or 32 ct linen. It can be mounted on the cover of a round or square box. You can also make a small pin-cushion or frame it in a 4" (10 cm) hoop.

For mounting, the fabric must be trimmed into a disk and notched, then stretched, folded over sides and glued to the edges of the cover. You can use trimming or ribbon (photo) to hide the edges.

Please note: assembly instructions are not included with the charts.
