### Round tin cans II - Joyful Spring, Joyful horse ride

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Two joyful images of Spring:

- Baby lambs are grazing in the verdant fields under a blooming apple tree.
- A couple in folk attire is riding a white horse.

This pair of round cross stitch patterns, the second in a series of 3, is designed in Kyoko Maruoka ever cheerful and colorful style.

Each cross stitch piece measures approximately 3 1/3" (8.5 cm) when worked on 16ct Aida fabric or 32 ct linen. It can be mounted on the cover of a round or square box (here a metal box, see photo). You can also make a small pin-cushion or frame it in a 4" (10 cm) hoop.

For mounting, the fabric must be trimmed into a disk and notched, then stretched, folded over sides and glued onto the sides of the cover. You can use trimming or ribbon (photo) to hide the edges.

Please note: assembly instructions are not included with the charts.
