CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

This is the second cross stitch chart in the "Santa has come" series, which form a pair.

Unlike Santa has Come - I, this one takes place in a town, a pretty town center with a church, townhall and houses huddled together in the snow. The architecture is evocative of German boroughs, with timberframed houses painted in bright colors.

Santa has just landed on a snow-covered roof. All windows are lit on one can see a Christmas tree in one of the houses. He's obviously expected!
