**Santa's House**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

Discover Santa's home, in fact quite a group of pretty buildings. Indeed it houses Santa's own dwellings, another for Rudolf, his reindeer, and more room for his workshop and storage. Peak into the window, you'll see a Christmas tree lit with candles.

Santa is greeting us in person at the door. Will you come and visit?

The pattern has a lot of fun and interesting details to stitch, including various ornamental shapes of the roofs and windows.
