Snow White

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

The story of Snowwhite is delightfully illustrated here in cross stitch byGERA! designer Kyoko Maruoka.

The apple is large, red and tempting. The witch has a huge crooked nose. The seven dwarfs are hard at work in the forest, hauling their tools. The little house is welcoming with its red tiles and stove pipe sticking out from the roof.

In her neat white apron, red ribbon holding back her raven black hair, Snow White is oblivious of the danger that awaits when she bites into the apple.

With full cross stitches only, this is a straightforward piece to cross stitch. It was stitched on raw linen but could also be completed on color fabric, as long as there is enough contrast for the white stitches to stand against the background.
