### **Three Little Pigs**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gera! by Kyoko Maruoka

**The Big Bad Wolf knocked on the little pig's door and said:**

**I'll huff, and I'll puff, and I'll blow your house down!**

**Beautifully illustrated with subtle colors and lovely detail, here is GERA's cross stitch version of the story of the little pigs.**

**The little pigs are smart and affable as they open the door to the wolf, their houses spick and span. A little bird has nested on the house of straw and the sun is shining brightly. Hidden behind an apple tree, the wolf is about to carry out his wicked plans...**

**Creative Poppy tip:**

**This banner like pattern is perfect for turning into a wall-hanging growth chart for a children's room. Stitch the item first on any fabric of your choice. If you intend to wash the fabric after stitching do it first (as it may shrink a bit). Trace then stitch incrementing lines, starting the measurements at the base of the pattern at say 60 cm or 2 feet, alternating longer and shorter rows of cross stitches.**
