CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Gracewood Stitches

In the designer's own words:

While designing my Log Cabin Four Seasons series I made two for summer and while I decided on another pattern to represent [Summer](#) in that series, I liked this one so much that I'm presenting it on its own - Nautical Log Cabin. I hope its themes will appeal to you as well.

Creative Poppy says:

This cross stitch pattern is designed in the manner of the namesake quilting motif, with square cross stitch designs creating a repeat motif. The vignette, picturing boats almost still on a calm sea, becomes almost abstract when repeated horizontally and vertically. Like many of Gracewood Stitches' designs, the design has a little Art-Deco feel. We love the sunny colors too.
