Iveta Hlavinova - Christmas baking (cross stitch pattern)

Christmas baking

COUNTED CROSS STITCH CHART BY IVETA HLAVINOVA

What a delicious welcoming smell! The biscuits are coming straight out of the oven and our two little dogie friends are waiting eagerly to get their share! This cross stitched piece will immediately give your home a festive atmosphere. You can stitch the motif on an apron. Why not make some extra matching pieces with some elements of the pattern such as the dog, to feature on the cover of a Christmas recipe book, or little gift tags for your home-baked goodies. It's in the detail: we love the little cross stitch features surrounding the main motif such as the red pot, the wooden toy horse and the hanging wooden utensils.
