Iveta Hlavinova - Matryoshka (cross stitch pattern )

## Matryoshka

COUNTED CROSS STITCH CHART BY IVETA HLAVINOVA

These Russian nested dolls are said to make your wishes come true... We are particularly fond of this matryoshka pattern by designer Iveta Hlavinova because of the doll's neat little face, with a spot of light shining in the painted eyes, and the pretty embroidered apron. The cross stitch pattern comes in floss colors that perfectly match the bright colors of the original wooden Matryoshka dolls. Feeling creative? Stitch 3 matryoska's side by side, picking your own choice of colors for the 2 other ones.

A cross stitch pattern by Iveta Hlavinova. Creative Poppy exclusive.
