Iveta Hlavinova - Russian Inspiration (cross stitch pattern chart)

Russian Inspiration

COUNTED CROSS STITCH CHART BY IVETA HLAVINOVA

Traditional costumes continue to inspire cross stitch designer Iveta Hlavinova. These two Russian inspired needlework dolls are very decorative and can be used as ornaments (see picture). A nice idea if you want to try something really different for this year's holiday decoration.

It's in the detail: Extra attention has been paid to the design of the doll's wide open eyes, stitched in a combination of quarter stitches criss crossed with back stitch. The stitched result is stunning.

A cross stitch pattern by Iveta Hlavinova. Creative Poppy exclusive.
