CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

This cross stitch pattern is a playful tribute to Lewis Carroll's novel and the characters Alice meets throughout her adventures in Wonderland.

**Featured are:**

- the White Rabbit, always frantically running after time,
  - the imperious Queen of Hearts willing to cut anyone's head,
  - the Cheshire Cat with its mischievous grin, appearing and disappearing at will,
- the Hookah-Smoking Caterpillar asking difficult questions.

Alice is featured, a wonderful air of surprise on her face, as she plummets head down after following the rabbit through the rabbit hole at the beginning of the story. Plenty of other references are fitted into the design including the cakes, cups and teapot alluding to the Mad Tea Party. The design also includes the date 1865 when the book was published.

The pattern comes in a soft range of blue, gold and coral red, with white highlights standing out against the medium grey background.
