Baba Yaga, the flying witch

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

What use are an empty barrel and a straw broom?

Trust Baba Yaga to know all the tricks, as you may know she is a legendary witch in slavic fairy tales and also an experienced pilot.

Here she goes, propulsing her vessel at high speed, over sleepy villages and forest.

The moon looks on, imperturbable.

Baba Yaga is straight as a stick, hair tied up neatly in her kerchief.

The cat is travelling along too. Mind you, he looks a bit stressed uout.

This cross stitch pattern is stitched on deep black evenweave, to better render the night scene.
