Deers in the Wood

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Designer Kateryna (Stitchy Princess) captures a tender moment between a couple of deer, as the other animals look away discretely.

Worked in full cross stitches and easy to complete, the pattern comes in wonderful fall colors and is brimming with fun detail, be it the numerous animals - including rabbit, hedgehog, snail and owl - and the flowers, mushroom, grasses and fir trees. The design is framed with a sweet repeat border of tiny deer and trees.

A cross stitch pattern by Kateryna - Stitchy Princess.
