Kind Baba Yaga

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Are you scared of Baba Yaga, the old witch of the magic forest?

Treat her kindly and she will be kind to you.

Stitchy Princess' designer Katheryna is very fond of Baba Yaga, the legendary figure of slavic fairy tales. Here is a close-up portrait of the scary witch. The humped lady, cat riding on her back, is watching over a decoction of mushroom, boiling in a large cauldron. Perched on a pole and keeping a close eye is a blackbird. A hedgehog passes by wondering what is going on. For what usage is the mysterious liquid inside the pot?

The pattern was stitched on Zweigart Star Aida, a fabric laced with golden filaments that capture the light and provide a touch of glitter in the background, echoing the flames of the fire.
