Miss Deer

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Ever so lady-like, Miss Deer walks across the wintry forest, on her way to a party. She is dressed in an elegant green gown, with a knitted skirt and fur collar and trimmings.

A newborn fawn looks on a bit surprised at her change of style, maybe her baby brother. A winter storm seems to be brewing in the background, with whirls of snowflakes blowing against the light grey background.

This cross stitch pattern by Ukrainian designer Kateryna (Stitchy princess) is part of a series of designs depicting elegantly dressed animals converging through the winter forest to attend a Christmas party. They include a [rabbit](#), a [sheep](#) and a [fox](#) and will form a romantic display in your home during the holiday season.
