Description:

Miss Mushroom

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Ukrainian cross stitch designer Kateryna (of Stitchy Princess) is very much influenced by the folklore and fairy tales of her home country.

Here she depicts a Mushroom fairy, busy gathering her harvest in a tiny basket.

Colors are subdued autumn hues and the background is quite stylised, evocative of the forest grounds, but leaving the emphasis on the young woman and her special outfit.

The design is part of a series of patterns featuring animals ([Miss Deer](#), [Miss Fox](#), [Miss Rabbit](#)...) and Woodland Fairies.

A cross stitch pattern by Kateryna - Stitchy Princess.
