CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

The Sunflower is Ukraine's national flower and graces the country's villages and fields in summer.

This design is by Kateryna, a cross stitch designer based in Ukraine, drawing her inspiration in folk tales and nature. Here she depicts a young woman, in traditional blue costume with a white skirt adorned with fine embroidery. The girl's face is covered with freckles from the summer sunshine. Her long redish-blond hair is woven into a traditional braid. Surrounding her are two large sunflowers turning their heads towards her, as in awe to her beauty.

There are two versions of the Sunflower girl. This is the larger pattern measuring about 10 x 15 inch (on 14ct/28ct). View smaller [Miss Sunflower pattern here](#).
