Miss Winter

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

Log cabin huts seen in the distance seem to be hugging together, roofs covered in snow and smoke coming out from their wood-fire stoves.

In the foreground is a young lady, her light frosted gown fit for a queen. She is surrounded by animals, as if they were paying tribute. Squirrel and reindeer gather around her, a pair of red robins rest on her hands, even the shy white hare peeks from behind a tree.

The gown and especially the head dress are evocative of slavic folk tales. The pattern is by Ukrainian designer Kateryna (Stitchy Princess), ever fascinated by her homeland's legends and the magical forest.
