Night Alphabet Sampler (+Ukrainian version)

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

The night sky comes alive with playful moons, planets and stars, tiny letters of the alphabet filling the voids.

The sampler design is by Kateryna, a cross stitch designer based in Ukraine, drawing her inspiration in folk tales and nature. The pattern comes in two versions, one with a regular alphabet, the other with the Ukrainian alphabet (see last image) should you wish to stitch the original version.

Both sampler pattern files will be supplied with your order.

The pattern (pictured) was stitched on a Black evenweave. Any dark blue, brown or black fabric can also be used. Thread colors are solid DMC cotton.

A Stitchy Princess cross stitch design.
