Pumpkin season

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

It's pumpkin season in the vegetable garden, time to harvest!

Kateryna, designer for Stitchy Princess, offers a very decorative version of the pumpkin garden. The pattern is almost symmetrical in design, with borders of smaller motifs in the background - mushroom, grapes, sunflowers - and each pumpkin motif designed like an ornament. Turquoise highlights offer an interesting contrast with the dominant oranges of the pumpkins.

The pattern uses 7 colors and is an easy stitch with full cross stitches exclusively.
