Woodland fairies

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Kateryna - Stitchy Princess

This design is by Kateryna, a cross stitch designer based in Ukraine, drawing her inspiration in folk tales and nature, in particular her beloved magical forest.

Indeed, if you look very close you will spot the tiny fairies, with sheer wings and light dresses. One of them is sitting on a swing, so light a pair of butterflies can hold the cord. The fairies live in a mushroom house with steps leading up to a tiny wooden door, surrounded by flowers and many woodland friends: butterflies and lady birds, rabbits, hedgehogs, birds and a red fox.

The pattern was cross stitched over 2 threads on 32 Ct. Zweigart Murano/Lugana 3984/6016 Olive. It could be stitched on any green, yellow, beige, or even pink background fabric, provide there is enough countrast with the white.

A cross stitch pattern by Kateryna - Stitchy Princess.
