**Cross Stitch Guide**

BY Lesley Teare

Whether you are a beginner in cross stitch or looking for answers to some of your questions about fractional stitches, this is the perfect guide for you. It quite exhaustive and covers topics such as combined quarter and three-quarter cross stitches for instance.

Lesley Teare incorporates fractional stitches in many, though not all, of her designs, thus adding extra precision when needed. The cross stitch guide is the companion to all patterns designed by Lesley Teare.

The guide covers:

- basics of cross stitch
- starting, finishing
- three-quarter cross stitch
- quarter cross stitch
- backstitch
- French knots

The cross stitch guide comes free with any patterns from Lesley Teare.
